Final Negative Declaration Distribution

SUBJECT: Climate Mitigation and Adaptation Plan Project
(SCH No. 2012081049)

To Whom It May Concern:

This letter is to notify you that the City of San Diego's Advance Planning and Engineering Division has completed a Final Negative Declaration (ND) for the above referenced project. The Final (ND) is being distributed to those persons and/or organizations that commented on the draft environmental document during the public review period.

Any questions and/or concerns related to the CMAP project and public hearing process should be directed to Linda Gianelli Pratt, Chief Program Manager, Energy, Sustainability and Environmental Protection, Environmental Services Department at 858-492-5088. Any questions on the environmental document, please contact Anna L. McPherson at (619) 446-5276.

Sincerely,

A handwritten signature in blue ink that reads "Anna L. McPherson".
